

ABOUT THE COLLEGE

JNTUA College of Engineering, Anantapur stands aloft on a solid foundation of past glory and prestige. This college was started in the year 1946, under the post war reconstruction program and functioned at Guindy campus, Madras for two years and was shifted to Anantapur in 1948. It was in the year 1958 that the college was shifted to the present permanent buildings accommodating the Administrative block, Laboratories, the Engineering Departments, Library and the Hostel blocks. During the first 25 years of its existence, it was affiliated to the Madras and S V University and produced distinguished alumni, who are holding high positions, in India and abroad. It has great tradition to be proud of. Fortified with traditional values and dedicated spirit of the staff and the students, it would rise up to any occasion or meet any challenge confidently.

UNIVERSITY COLLEGE OF ENGINEERING AND TECHNOLOGY, BIKANER

Judging by the date of establishing year, CET is relatively a new arrival in the arena of technical institutions. It was established in 2007, as an autonomous body of Govt. of Rajasthan, amidst the brown blooms of desert island, Bikaner. It has made its mark by inspiring quality education. Total intake of College is 420 students in branches (CSE, ECE, EE,

ME, CE, CRE) of Engineering and 60 students in MBA per year.

OUR MISSION

Provide the fundamental knowledge of engineering field using modern tools.

To identify and nurture managerial and entrepreneur skills to fulfill the needs of society.

Collaborating with industry and institutes to develop new ideas and creativity which can serve for the nation's economic development.

OUR VISION

"To be a center of academic excellence for quality technical education, with managerial & entrepreneur skills, to meet the social needs and global challenges."

ABOUT WORKSHOP

LaTeX is a high-quality typesetting system; it includes features designed for the production of technical and scientific documentation. LaTeX is the de facto standard for the communication and publication of scientific documents. LaTeX is available as free software.

Data science is a broad field that refers to the collective processes, theories, concepts, tools and technologies that enable the review, analysis and extraction of valuable knowledge and information from raw data. It is geared toward helping individuals and organizations make better decisions from stored, consumed and managed data.

Data science is formerly known as datalogy.

In this One Day Workshop the candidates are going to gain knowledge on Latex and Data Science.

WHO CAN PARTICIPATE?

Students, Faculty Members and Alumni of the college who are interested to become Entrepreneurs.

IMPORTANT DATES:

Workshop Dates: **February 14th 2019.**

CO-ORDINATOR

Dr.A.Saila Kumari,
Assistant Professor of Mathematics,
JNTUACEA

Mr. Dharmendra Yadav,
TEQIP-III Coordinator.
College of Engineering & Technology,
Bikaner

RESOURCE PERSON(S)

Prof. E Keshava Reddy,
Professor in Mathematics & Vice
Principal
JNTUCEA,Anantapur.

Dr.T.K.Suresh,
Easwari , Engineering College,
Chennai.

REGISTRATION FORM

“ONE –DAY NATIONAL WORKSHOP ON LATEX and DATA SCIENCE”

Under TEQIP III Programme

Name of the participant:

Name of the Organization:

Address for Communication

Mobile No:

Email id:

Declaration: This is to certify that the above member is bonafide Student / Staff of the Institute/Organization.

Signature of the
Participant

Signature of the Principal

COURSE MODULES

LATEX

- Introduction.
- How to Install.
- How to Work With?
- Practical Session on LATEX
- How to use LATEX I n Research.
- LATEX replacement in academics.

DATA SCIENCE

- Introduction to Data Science.
- Data Science as Technology.
- Data science Applications.
- .Data Science is essential to get Career.
- Data Science Session.

**University College of Engineering &
Technology, Bikaner**

(An Autonomous Institute of Govt. of Rajasthan)

**ONE –DAY NATIONAL
WORKSHOP
ON**

**LATEX
AND
DATA SCIENCE**
