About JNTUA College of Engineering

JNTUA College of Engineering (Autonomous) Ananthapuramu, an esteemed engineering college in Andhra Pradesh was established in 1946 and has been growing continuously in size with respect to intake, faculty strength, number of academic programs offered and infrastructure. Now it is one of the constituent colleges of JNTUA.

About Department of Humanities

The Department of Humanities and Social Sciences was established as an Independent Functionary one since 1976. The Department has been catering to the steadily growing and diversifying requirements of all the branches of Engineering. The Department always aims to remain like a beacon in leading students to the path of noble deeds, aspirations and truth. It is always committed to offer value added instruction to widen the horizon of vision for the enrichment of analytical tools, conceptual, managerial, as well as, interpersonal communication skills.

About the Training Program

This Short-term Training Program focuses on creating a lively interest in soft skills and personality development for the career development of the professional students.

In order to become the best in our field, we need not only stress on the hard or technical skills, but also on the soft or life skills. Therefore this training program attempts to inculcate humane aspects of learning process in the students.

Objectives of the FDP

- ✓ To create awareness on the significance of soft skills for students' career.
- ✓ To improve the LSRW Skills.
- ✓ To inspire the students with leadership skills.
- ✓ To make them superior human beings

Major topics to be covered in this workshop include

- Interpersonal Skills
- Communication Skills
- Social and emotional intelligence
- Decision Making
- Problem Solving and team building
- Time Management & Stress Management
- Motivation and learning
- Active Learning Strategies

Resource Persons

Resource persons are identified from reputed IITs, NITs and State-level Universities.
