

Department Library

The Department Library occupies a unique place in academic and research activities of the Department.

It is perhaps the most important central facility provided by the Institute. The library maintains an excellent collection of data books, occasional papers and other documents/materials. The library has a well-equipped facility for reading to meet the informational needs and intellectual pursuit of Department. In consultation with the head of the department, will design and co-ordinate the rules, regulations and functioning of the department library.

In-charge of Department Library: Mr. M. Kalyan Kumar, M. Tech (Ph. D), Associate Professor
